Is really a gift

Ola Wright

Ola Thought she'd like a business
And so for awhile she tried
But she found that just a housewife
Is for her—she's satisfied

Betty Yeager

Health and Safety Chairman
To keep members in shape is her aim
And if you're sick of ifyou've slipped
She's tried hard just the same

Jeanette York

She raises flowers
And we just bet
There's no better gardner
Than Jeanette

Juanita Young

One loyal and dependable
No job did she refuse
Juanita was a member
We hated so to lose

Jane Younger

Jane is a librarian
And she takes her books on wheels
They range from fairy stories
To the art of cooking meals

Virginia Zahringer

Virginia's a good member
And not a girl anywhere
In the B P W C
Has prettier eyes than she
