MEMBER NOTES

I want to thank all my SBW and BWM sisters
who voted for Early Onset Alzheimer's blog
(earlyonset.blogspot.com) in the Healthline Best
Loved Blog Contest. Thanks to your support, the
blog won third place and a \$250 prize.

At about the same time, Health Unlinked (based
in the UK) notified me that I had won first place
in their Best Carer category. I didn't know I was
in this contest and was skeptical as to its validity
until I checked out their website and Facebook
pages. The winners were based 60% on public
voting and 40% judging. To be careful, I opened
a new bank account for this deposit only. They
deposited \$267.87 into the account.

LaunchU being offered at
State Fair Community College.

LaunchU is designed for entrepreneurs and very early stage start-up businesses. The training takes the person from the "idea" phase, through feasibility planning to decide if their business idea is viable or not. In the end, the participant will have created an SBA approved business plan using LivePlan software, and also be eligible for a "pitch" contest on graduation evening, where investors will be the judges. Program runs from March 27 through May 3. Let me know if you have more questions.
